RENTALS PAGE:

The screenshot shows the TravelPulse Rentals page. At the top, there's a navigation bar with links for Home, Rentals, Showroom, Trips & Tours, AI Planner, My Bookings, and a user profile for 'yuva' with a 'Logout' button. Below the navigation is a section titled 'Vehicle Rentals' with the sub-instruction 'Choose from our wide range of cars, bikes, and buses.' There are three vehicle cards displayed:

- Maruti Suzuki Swift**: A blue hatchback. Rating: 4.5. Details: Compact, fuel-efficient, and perfect for city driving. Transmission: Manual. Fuel Type: Petrol.
- Honda City**: A white sedan. Rating: 4.7. Details: Premium sedan offering superior comfort for long drives. Transmission: Auto. Fuel Type: Petrol.
- A third card is partially visible on the right, showing a car with a rating of 4.4 and the text 'Stylish hatchback with premium features and good mileage.'

To the right of the cards is a sidebar menu under 'All Types' which includes categories like Cars, SUVs, Bikes, etc. A search bar at the top of the sidebar says 'Search vehicles...'. At the bottom right of the sidebar is a small AI icon.

BOOKING PAGE:

The screenshot shows the TravelPulse Booking page. It displays a summary of a booking for a Honda City. The summary includes:

AI SUGGESTOR:

The screenshot shows the AI Suggestor feature. It features a navigation bar identical to the dashboard. Below it is a section titled "AI Smart Travel Assistant" with a sub-section "AI Travel Planner". A message reads: "Not sure where to go or which vehicle fits your trip? Ask our AI assistant powered by Gemini." A large input field says "Suggest a bike for long-distance travel". The AI response is: "Fantastic choice! For long-distance travel, you'll want a bike built for comfort, reliability, and luggage capacity. We highly recommend **Adventure Touring bikes** like the **BMW R 1250 GS** or the **Kawasaki Versys 1000**. These models offer excellent ergonomics, smooth power delivery, ample fuel range, and great capability for both highways and varied terrains. They are perfect for exploring diverse landscapes. Alternatively, a **Cruiser** like a **Harley-Davidson Street Glide** offers unparalleled comfort for mile-munching on open roads, with great wind protection and storage. Ready to hit the road? Let us know if you have a specific destination in mind or any other preferences, and we can help you find the perfect match for your epic journey! TravelPulse is here to make your adventure unforgettable." At the bottom, it says "Powered by Google Gemini 2.5 Flash" and "AI responses may vary. Always verify details."

Below the AI Suggestor is another footer navigation bar with four sections: TravelPulse (with a subtitle: Advanced Vehicle Pre-Booking & Travel Management System powered by AI.), SERVICES (Vehicle Rentals, Tour Packages, Showroom Pre-booking), SUPPORT (Help Center, Terms of Service, Privacy Policy), and CONTACT (Address: 123 Innovation Drive, Tech City, TC 90210, Email: support@travelpulse.com).
